Welcome!

Congratulations on your engagement!! We know this is a super exciting time in your life, and we would love the opportunity to document it for you! We would be so honored to spend your wedding day with you, capturing every beautiful moment!

We know your wedding day is one of the biggest days of your life, and our goal is to present you with one of a kind, stunning images, so you can re-live your wedding day time and time again! These images are now your legacy. Lets make it a magical one!

When you have a minute please review this guide. If you love what you see and think we'd be a great fit for your wedding photography dreams, come in to our studio, lets pop some bubbly and chat about your big day!

This is us! I, Katrina, am the head photographer of Love Is All You Need Photography, and my husband Mark is my 2nd shooter! We have both always loved photography, and have been photographing weddings for over 8 years now! We really love doing what we do because it not only gives us the chance to do what we love, but we get to work with awesome couples and give them something they will cherish forever. It's a job we don't take lightly, and are so extremely grateful for.

About Us!

Our style has been described as creative, classic, and authentic. We want your wedding photos to look like what your day looked like! So you can look back at your pictures and re-live that amazing day, over and over again! Our main approach on your wedding day is to photograph all the moments as they naturally unfold, while also professionally finessing the shot to give you the most gorgeous images imaginable.

When we aren't photographing weddings you can find us at home hanging out with our beautiful baby boy and our dog, taking them on hikes, camping, and hanging out with our friends and family. We are both big coffee drinkers, I am addicted to Dunkin Donuts caramel latte's, and we could both live on Barrio tacos if we had to! We love to travel and have actually been to over 100 places together! Traveling is our second passion. We just love going on adventures and exploring what this beautiful world has to offer!

Pop the Bubbly! You're Engaged!!

If you're doing an engagement session with us, get ready to have some fun! We love taking our couples to beautiful locations and getting to know them as a couple. We want to capture the essence of YOU, and celebrate your engagement!

Engagement photos are the first step in showing the world your love and excitement, and everyone will be overjoyed to share in that with you!

Natural engagement sessions are local to the Cleveland area. This session will utilize more natural light. Includes 1 photographer, 1-2 outfit and location changes, and up to 1 hour of time. Both engagement sessions guarantee 30 professionally edited digital images with shared rights, and an online gallery for viewing, sharing, and downloading. **\$500**

Styled engagement sessions are high fashion, magazine quality, dramatic sessions that can sometimes be taken anywhere in the world (just ask!) You just let us know where, and we will meet you there! Your session includes a photographer and a lighting assistant, dramatic lighting set ups, 3 outfit changes, 2-3 location changes, up to 2 hours of time. Styled sessions will be taken at either an hour before sunrise or an hour before sunset. **\$1000**

Exclusive Photography/Videography

LIAYN Photographers will be the exclusive photographers and/or videographers for your wedding.

Images and Copyrights

Standard Resolution Digital Proofs can be viewed from any device. They are intended for viewing and online print ordering purposes, and will have the LIAYN Photography watermark on them. High Resolution Digital Files can be used in any way you see fit. Print as much as you want, as large as you want, from wherever you want, without a watermark. Please do not screen shot images as they lose much of the quality that way. Always download!

Payment

To reserve your wedding date a contract must be signed and a **non-refundable** retainer is due. The retainer is 1/2 the package price. The remaining balance is due 1 month prior to your wedding date. We accept cash, check, venmo, paypal or credit cards. Paying with credit card is subject to a 3.5% fee.

Editing

We cull, organize, and individually edit every image for delivery to you. However, we do not do extreme body, face, or hair retouching. Blemishes/scars/scratches will be edited on a case by case basis at the request of the couple and the discretion of LIAYN Photographers. Edited files will be delivered to the client in jpeg format. RAW files will never be delivered to a client. Additional editing changes or revisions can be purchased for \$100/hr.

House Rules

The photographers are limited by the guidelines of the ceremony venue, officiant, or on site management. Client agrees to accept the technical result of their imposition on the photographer. Drone photos and video may be restricted.

Workflow

We guarantee delivery of your wedding photos no later than 8-10 weeks of your wedding date, and your video no later than 10-12 weeks. During that time we will invite you to view your online gallery and album design. Once album designs are delivered you will have 4 weeks to request any changes and order. Once you confirm your wedding album it will be delivered to your home within 1 weeks time. Online galleries will remain hosted for 5 months.
